

Guadalupana Society

The Guadalupana Society is a ministry to Spanish speaking young and adults, formed for social and spiritual fellowship, growth and service to the Parish. Membership is open to Spanish, English, or Bilingual parishioners. Our intent is to share the message of the Apparition of Our Lady of Guadalupe to all young and adults in our community.

Under the guidance of the Holy Spirit that the Church responds to the call of Christ to be a visible sign of their presence by participating in; scripture, sacraments, worship, prayer, and formation academy, the evangelization and testimony, to service and charity, fellowship, and community through our words and actions with our universal community of believers we strive to share God's love.
