

The pastor identifies his **Parish Pastoral Council** and presides over the Council, which serves in an advisory capacity. The St. Thomas the Apostle Parish Pastoral Council assists the pastor in serving the parish community by exploring the needs of the parish and responding appropriately. This is accomplished through prayer, listening, and dialogue.

The pastor determines the size and membership of the council through a selection process of his discretion. Structure of the Council is formalized through by-laws with an elected Chairperson and a regular meeting schedule

The St. Thomas the Apostle Parish Pastoral Council meets monthly at 6:00 p.m. in the STAP Community Center.

Henry Sanchez, Chairman
